SAID TO BE SHORT.

Female Bookkeeper Arrested on a Warrant Charging Her With Grand Larceny.

SHORTAGE MAY REACH \$50,000.

The Complainants Are the Officers of the United States Playing Card Co. of Cincinnati.

The Woman Was Bookkeeper For the New York Office and in Addition Acted as Private Secretary to An Official.

New York, Oct. 3.—Marie Layton Johnson, wife of Albert M. Johnson, a dentist of Larchmont, N. Y., was arrested Friday night on a warrant charging her with grand larceny of \$2,000. The total amount of her defalcations may, it is said, amount to \$50,000.

The complainants are officers of the United States Playing Card Co., of Cincinnati. The officers are John Omwake, president; R. H. McCutcheon, secretary and treasurer and manager of the New York branch, and R. J. Morgan, manager of the Cincinnati office.

Mrs. Johnson, whose maiden name was Marie Layton, was bookkeeper for the New York office, and in addition, acted as private secretary to Mr. McCutcheon. She was married to Dr. Johnson in 1901, but did not leave her position after the marriage. In April of this year discrepancies are said to have been discovered in her accounts, according to the statement given out by Inspector McClusky, and an examination is said to have revealed a shortage of \$10,000 between January 1 and April 15, in the accounts of the New York office.

The woman's method is said to have been as follows: The accounts of the concern were kept in the Hanover national bank, there being a New York and Cincinnati account there. Cincinnati would send to New York a bill of goods, which would be sold for \$3,000, and that amount would be placed to the credit of the Cincinnati account. But, it is alleged, Mrs. Johnson would charge the New York office with \$5,000, taking the difference herself. To make the accounts balance she would then raise a small bill of goods shipped from Cincinnati from, say \$9 to \$2,009.

Mrs. Johnson was discharged from the employment of the company in April, when, Inspector McClusky says, she admitted defalcations of \$10,000. It was thought at that time that her husband, Dr. Johnson, who has a large practice, would make up the loss, but this was not done. Later, further investigation was made into both the New York and Cincinnati accounts, with the result, it is said, that the defalcations now amount to \$33,000, with a possibility that they may reach \$50,000.

Dr. Johnson refused to say anything about the case, nor would any of the officers of the card company talk.

It is said that Mrs. Johnson speculated in Wall street and lost considerable money there.

WANTS BIG DAMAGES.

Suit Entered Against St. Louis Officials and the Grand Jury.

St. Louis, Oct. 3.—The Rialto Grain and Securities Co. Friday filed suit in the circuit court against Sheriff Joseph F. Dickman, Circuit Attorney Joseph W. Folk and his assistant, W. Scott Hancock, for \$30,000 actual and \$20,000 punitive damages. The members of the present grand jury are named as co-defendants.

The petition charges that on September 30 the defendants "Maliciously combined to destroy the business of the Rialto company and to bring the plaintiffs into disrepute by seizing the books, accounts, letters and papers of the company; that they broke open desks, rifled and pillaged the premises, all of which was unlawful trespass."

Simultaneous with the filing of the above petition, Maj. Hugh C. Dennis, president of the Rialto company, filed a suit against the same defendants for \$25,000 actual and \$25,000 punitive damages, charging that they caused him, on September 30, to be taken through the streets of St. Louis to the four courts "Depriving him of his liberty and subjecting him to great odium."

Mt. Sterling, Ky., Oct. 3.—Nim Byrd, jr., tried in circuit court Friday on a charge of shooting Officer Dee Smith, a few months ago, was fined \$250. The verdict caused much indignation.

Elliott W. Shanklin Dropped Dead in His Office.

Lexington, Ky., Oct. 3.—Elliott W. Shanklin, secretary of the Kentucky Trotting Horse Breeders' association, dropped dead suddenly in his office at 1 o'clock Friday night. He had been complaining of indigestion during the day. Death was due to organic heart disease. He carried \$32,000 insurance. He was 41 years old and was the son of the late George S. Shanklin, sr., who represented the Ashland district in congress during the civil war. Until last winter he was a member of the horse sales firm of Woodard & Shanklin. He was a member when he died of the firm of Shanklin & Walker. He was the first secretary of the Lexington Elks' fair and continued in that capacity four years. He succeeded Ed Flinton as secretary of the Trotting Horse Breeders' association. His mother and two sisters live in Oshkosh, Wis.

Various social functions were postponed on account of his death. E. C. Estill, president of the association, said Friday night: "There is no probability of the trotting meeting which will begin Tuesday being postponed on account of his death."

Shanklin was for many years a director of the association and was director in various commercial enterprises here.

A beautiful tribute was paid to his memory at Friday night's meeting of the Elks lodge, of which he was a conspicuous member. The ceremonies attending the initiation of Senator J. C. S. Blackburn and other candidates Friday night were materially shortened on account of the sorrow of the lodge caused by Mr. Shanklin's death. The first cotillion of the season, which was to have been given by the Lexington German club Friday night, was postponed on account of his death.

MAIL POUCH THEFT

Man Accused of Stealing One Containing \$500,000 Worth of Negotiable Paper Arrested.

CHECKS WERE TAMPERED WITH.

Prisoner Is Charged With Several Other Crimes Including Swindling, Forgery and Post Office Robbery.

Complaints Were Made That the Names of Payees on Checks Had Been Erased and His Own Name Inserted.

New York, Oct. 3.—Word was received Friday night that F. H. Crosby, alias A. E. Bell, alias Hammond, alias Crawford, had been arrested in Denver, accused of stealing a mail pouch containing \$500,000 worth of negotiable bank paper at Philadelphia on the night of September 8. He is charged with several other crimes, including swindling and forgery. It is alleged that Crosby returned to this country from Crowe, Eng., last summer and went to Asbury Park, where he represented himself to be a fruit speculator. His wife mingled in good society and introduced her husband to prominent business men and at the bank there, where he made deposits, declaring to the officials that he intended to continue his account for the summer months.

On September 10, it is said, he deposited a number of checks payable to his order, drawn on different Philadelphia firms. Two days later he closed the accounts, withdrawing the amounts due him. He and his wife then left Asbury Park.

About this time, it is said, W. W. Dickson, chief post office inspector of Philadelphia, discovered the theft of a mail pouch containing bank remittances from Philadelphia to Pittsburg, the entire amounts being estimated at \$500,000.

It is alleged that during the last ten days complaints were received at Asbury Park banks that checks accepted by them had been tampered with; that the names of the payees had been erased and Crosby's name inserted, and that small amounts had been raised to larger ones.

It was recalled that a mail pouch had been stolen at Springfield Junction, Ill., last April and that A. B. Hammond had opened a cash account at the Lincoln Trust Co., St. Louis, depositing a number of altered checks from the stolen mail pouch. It was suspected that the mail pouch robbery was committed by A. E. Bell, alias Crawford, whose photograph was identified by the officials of the St. Louis bank.

Investigation at Asbury Park developed that Crosby was none other than A. E. Hammond, alias Bell, alias Crawford. Post Office Inspector Jacobs traced him to Denver, where he was arrested Friday night.

Crosby is suspected of committing numerous post office robberies in New York, Buffalo and other cities.

BOGUS TELEGRAM.

The President of the United States' Title Forged.

Albany, N. Y., Oct. 3.—Forgery of the official title of the head of the nation, figures in an attempt made Thursday to save the three Van Wormer boys from the chair at Dannemora prison. Less than half an hour before the time set for the execution Warden Deyo received the following telegram: "West Point Station, October 1, 1903. To George Deyo, Warden: 'The Van Wormer boys must not be executed to-day. A stay has been granted. By order, 'THE PRESIDENT OF THE UNITED STATES.'"

Warden Deyo at once consulted with some of the witnesses present and concluded that the message was a forgery. No attention was therefore paid to the telegram, and every endeavor was made to find the sender and prosecute him or her.

Judge's Office Ordered Investigated.

CARLEISLE, Ky., Sept. 28.—For the past year or more there has been much ill feeling existing between Circuit Judge Osborne and County Judge McNew, of this county, and it culminated last week in Judge McNew, who is editor of the Carlisle Democrat, bitterly denouncing Judge Osborne. Judge Osborne, in charging the grand jury to-day, specifically instructed it to investigate the office of the County Judge and the records of his office.

The firm of Caproni & Castelvocchi, fruit dealers, was dissolved Friday by mutual consent. L. Castelvocchi withdrawing. The business in the future will be conducted under the firm name of Caproni Bros.

Some days ago Mr. John C. Mayo, of Paintsville, agreed to give Dr. Weber \$10,000 for the endowment fund of the Kentucky Wesleyan College at Winchester, on condition that he secure \$15,000 from other friends. Dr. Weber went to work and raised \$5,000 the first week. Dr. W. F. Taylor, of Nicholasville, former pastor of the First Methodist Church here, gave \$2,500. Tuesday morning the matter was laid before the students and faculty at chapel exercises and a free will contribution was made that amounted to \$500.

Mrs. General Marmaduke, who died at St. Louis recently, used to visit relatives at Washington, where her father, Dr. Charles Scudder, resided many years ago, and whence he removed to the Mound City, where he was one of the most highly respected and best known physicians for many years. Dr. Scudder lived in a house adjoining that of Colonel Marshall Key at Washington. The Scudders were all New Jersey people, and related to the Formans, who also came from that State. A son of Dr. Scudder, Captain John H. Scudder, was a well-known and wealthy steamboat owner at St. Louis. He had a twin brother, William, and they looked so much alike that no one on the Mississippi river could tell them apart, it is said. A daughter of Mrs. Marmaduke, by a former marriage, was the wife of the late Mr. James Pearce, of this city.

FOUR DAYS BATTLE

Six Thousand Turks Were Routed by 2,000 Insurgents in the Pirin Mountains.

MANY OFFICERS WERE KILLED.

Five Engagements Are Reported to Have Taken Place in the Vicinity of Kenatova.

Five Thousand Turks Were Attacked By Revolutionary Bands—Though Many Turks Were Killed, the Insurgents Were Routed.

Sofia, Oct. 3.—Five engagements are reported to have taken place in the vicinity of Kenatova, where 5,000 Turks were attacked by revolutionary bands, and, though many Turks were killed, the insurgents were routed. One of the leaders of the latter, Lieut. Tontcheff, committed suicide in order to avoid capture.

Advices from the insurgent headquarters assert that 6,000 Turks were routed by 2,000 insurgents in the Pirin mountains after four days fighting. The Turkish losses in this affair are said to have been the heaviest during the whole outbreak. They included three colonels and many officers of lower rank.

Three batteries of siege artillery left Sofia early Friday morning for Haskovo, near the frontier of Adrianople vilayet.

London, Oct. 3.—With the exception of the revolutionary report of the massacre at Mehomia, which is identical with the town of Razlog, there is little news from the Balkans.

The semi-official Journal de St. Petersburg, commenting on the visit of the czar to Emperor Francis Joseph, declares that the firm language employed by the representatives of the Russian and Austrian government at Constantinople and Sofia has averted war for the present.

A dispatch from Constantinople says the Anatolian troops recently called out are merely intended to replace the unruly troops who are responsible for the excesses, so the actual effectiveness of the army in Roumelia will not thereby be increased.

CONVENT BESIEGED.

A Number of Monks and Civilians Were Arrested.

Paris, Oct. 3.—The convent of Amanlis, department of Ille-et-Vilaine, strongly barricaded and defended, was besieged Friday by civil officers, assisted by gendarmes. A crowd of hundreds of people, headed by a former mayor, hissed the officers, threw stones at them and impeded their progress. One of the novel methods of defense consisted in a number of beehives, which were placed at the entrance of the convent. The barricades were finally broken down and a number of monks and civilians were arrested.

At Castres-sur-L'Agout, department of Tarn, a large seminary chapel and library were destroyed, which is believed to have been the work of an incendiary, as the flames were started simultaneously in five places. It was intended to reopen the seminary Saturday.

EXTRA SESSION OF CONGRESS.

It Will Be Called By President Roosevelt in November.

Washington, Oct. 3.—A good deal of pressure has been brought to bear on the president to induce him not to call congress into extraordinary session in November; but to all callers who have spoken to him in that vein he has said that this government is committed to the proposition that the Cuban reciprocity treaty he made effective at the earliest possible date and he regards it as a matter of good faith that this country should keep its word. He has declined, therefore, to consider any proposal looking to the abandonment of the idea of an extraordinary session.

The Republicans lay great stress on wiping out the State debt, but are mute on the subject of wiping out the infamy brought about by their erstwhile leaders.

HUNTER'S DARK LANTERN METHODS.

The Democrats should not be fooled as to the methods of the Republican State Campaign Committee. The Chairman of the Republican committee is Dr. W. Godfrey Hunter, whose way of conducting a campaign is unique. He now has secret headquarters at the Galt House in Louisville and is conducting the campaign of his party behind closed doors.

He is endeavoring to create the impression throughout the State that the Republicans are disorganized and are taking no interest in the election. He is also endeavoring to create the impression among the Democrats that Belknap has no chance and that his followers have practically given up the fight. However, it is learned from absolutely trustworthy sources that Dr. Hunter is using all his skill to effect a complete organization in every precinct in the State and that all of this is being done with the greatest secrecy and with the employment of all the dark lantern methods known.

It is learned from the same sources that the Republicans have a larger campaign fund this year than ever before and they are relying on simply buying the majority for Belknap in order to get this State in line in the Presidential race in 1904.

Realizing the importance of the fight this fall, the Republican National Committee has sent thousands of dollars to Kentucky and this vast sum has been greatly augmented by subscriptions from big corporations and by contributions of the Federal machine, which, contrary to the law, has forced minor employees of the government to give money from their salaries.

It has long been Dr. Hunter's boast that he can carry Kentucky if he has the money to buy the votes. The Democrats in the coming election should show Dr. Hunter that the Republican party backed by the national administration, the corporations and the Federal machine cannot buy the suffrage of the people of Kentucky. They should show him that it makes no difference to what extent the State is flooded with money that the vote of the Commonwealth cannot be purchased and that they believe in majority rule.

RETURNS TO THE FOLD,

And Mr. Kinsolving Will Stamp Kentucky For the Democrats—To Speak in Maysville.

Mr. STERLING, Ky., October 1.—H. B. Kinsolving, who two years ago refused to affiliate with the Democratic party on account of the Music Hall convention matter, and who is one of the strongest speakers in Kentucky, is now in perfect accord with the party, and beginning with next Monday at Sandy Hook, Elliott County, he will be on the stump until the first Tuesday in November.

In the Ninth district he will speak at Maysville and Brooksville, the dates to be named.

Mr. Kinsolving says the sound money Democrats of '96 and the Brown Democrats must return to the party and by an overwhelming majority give the Republicans such a rebuke that a recurrence of Taylorism may never again bring to reproach the fair name of Kentucky. Mr. Kinsolving is willing for a joint discussion with any accredited speaker, from Yerkes down.

CONSTITUTIONAL AMENDMENT.

All Parties United to Secure Home Government For the Cities.

Judge Wall represented the Ninth district at the meeting of the Committee on Constitutional Amendment at Lexington on Sept. 30th. The welfare of the State at large and her cities and towns is the object of the amendment, and this committee was appointed by the Commercial Convention that met last spring, which was composed of more than one thousand of the best business men of this State and was entirely non-partisan.

The leading Republicans and Democrats of Lexington met the committee, including the editors of the three papers and the leading workers in both parties. Messrs. Beckham and Belknap and the other nominees for State offices having already endorsed the amendment, it was agreed that the two parties should unite as to the amendment and endeavor to carry it at the polls. Postmaster Elkins and Col. Jno. R. Allen will give it special attention, and Editors Roberts, Breckenridge and Walton endorse it.

It simply asks for home rule in the management of municipal taxes. Lexington and Maysville know the needs of its city government better than the members of the Legislature.

Maj. Wood Rampant.

GREENUP, Ky., Sept. 28.—Maj. A. T. Wood, of Mt. Sterling, spoke here this afternoon. About one hundred voters were present at the opening, but one-half left before the end. His speech was of the violent kind. He said he could not speak for Belknap, but if he were Governor he would pardon Caleb Powers the first official act of his life. He said that if an attempt was made after this election to count Republicans out there would be bayonets to overcome before it could be done.

The late Mrs. Marmaduke, of St. Louis, was a first cousin of Mr. David Wood, of this city. A former husband of this lady was Henry Ames, the millionaire pork packer of St. Louis.

A Recapitulation.

Two years and eight months ago we arrived in Maysville, without a friend or an acquaintance (except one and this one was soon to leave). To-day if customers are friends we have the longest list in Maysville.

What have we done in less than three years, WE THREE boys? We have built up the largest business in Maysville, we have raised the standard of goods, we have lowered the price on same, we have awakened the entire community to the necessity of up-to-date merchandising, we have doubled the advertising of the newspapers, we employ more help than all the other dry goods stores in Maysville together, in fact we have forced more improvements in less than three years than any fifteen years of Maysville history.

AND WE HAVE ONLY STARTED. The best goods for the least money has been our success. We are after your dollars but in return we will give you a BIGGER AND BETTER DOLLAR'S WORTH than any other store in Kentucky.

Watch us grow.

BRACKEN MAN MISSING.

'Squire James Dye Left Home a Month Ago and His Family Alarmed Over His Continued Absence.

The family and friends of 'Squire James E. Dye, of Petra, Bracken County, are alarmed at his continued absence.

Friday, September 4th, he left home, saying he was going to a neighbor's. Instead he rode his horse to Augusta, and placing it in Riley & Gilligan's stable, said he was going to Cincinnati. That was the last seen of him. No tidings have been received of his whereabouts, and the family and friends are becoming alarmed.

When he left Augusta he had about \$400 on his person.

MRS. LAURA DIMMITT.

Former Resident of Maysville Passed Away Last Night at Her Home in Cincinnati—Funeral Here Monday.

Mrs. Laura Dimmitt, formerly of this city, died last night at 8 o'clock at her home in Cincinnati of heart disease. Her health had been failing a year or so, and on Thursday her condition became so alarming that her children were summoned. A message received here Friday gave no hope of her recovery. She lingered through the day, the end coming at the hour named.

Mrs. Dimmitt was sixty-five years of age and was a daughter of the late John Chenoweth by his last marriage, her mother being a daughter of Dr. Coleman Rogers, of Louisville. She was married twice, her first husband being John Everett, who died at Bristol, Tenn., during the war. Her last husband was Dr. Addison Dimmitt, of Lewisburg, this county. Three children survive her, two by her first marriage, Mr. John C. Everett, of this city and Miss Etta Everett, of Cincinnati, and one by her last marriage—Mr. Addison Dimmitt, of Louisville. She is also survived by one sister, Mrs. Julia Gilman, of St. Paul, and two half-brothers, Major T. J. Chenoweth, of this city, and Mr. Henry Chenoweth, of Birmingham, Ala.

The remains will be brought here on the 8 o'clock train this evening and taken to the home of her son, Mr. John C. Everett, where the funeral services will be held Monday morning at 10 o'clock. Mrs. Dimmitt had long been a member of the M. E. Church, South, and the funeral services will probably be conducted by Rev. Dr. Evans. Interment in the Maysville Cemetery.

Mrs. Dimmitt had a large circle of friends in this city and county who will learn with sincere sorrow of the death of this good woman.

Mass at St. Patrick's Church to-morrow at 8 and 10 o'clock a. m.

Chief of Police Donovan will take Lewis Daniels, charged with desertion, to West Point Monday.

Tuesday will be Registration day and every Democrat should make an effort to be in town on that day and register.

Cleveland Hall, aged eighteen, son of Samuel Hall, of Helena vicinity, died this week after a week's illness of typhoid fever.

Dr. McCready will have appropriate sermon at the communion service at the Episcopal Church Sunday at 10:45 a. m. The public cordially invited.

A force of hands were cutting corn in the fields of Colonel W. W. Baldwin at mid-night Wednesday, it being easier to cut then than during the day, on account of the dry weather.

Winchester Democrat: "Mrs. Mark A. Donovan, of this city, took first premium on Mount Mellick work at the State Fair at Owensboro the past week. She had previously taken first premiums at Germantown and Maysville fairs."

A lady visiting in the county from Sharpsburg, tells that she hasn't seen a roasting ear there this summer, and that water is so scarce that people go around at nights taking it out of the wells of such as have any in them.

At First Methodist Church, South, on Sunday morning Rev. Chas. F. Evans, D. D., will preach upon the Savior's question, "Who Touched Me." There will be no services at night except the League service at 6 o'clock, but all are cordially invited to attend that one.

Lewis Daniels, charged with desertion from the local company of State Guards, was arrested Friday and locked up. Daniels disappeared the night before the company left for West Point, and it was while searching for him Kemp Ball was shot and wounded by his brother, Tilden Daniels.

To-morrow at the M. E. Church at 10:30 a. m., Rev. F. W. Harrop, Presiding Elder, will preach and administer sacrament, it being the first quarterly meeting of the new conference year. No service at night, the congregation joining in the service at the Baptist Church in the interest of the Y. M. C. A. Sunday school at 9:30 a. m. Epworth League at 6:15.

The reception given at the Christian Church last evening by the minister and his Sunday school class to the members of the church was largely attended and was a most enjoyable affair. There were some delightful musical selections, and Mr. Moss and Prof. Mitchell each gave a recitation. Mrs. C. E. Geisel very kindly assisted in the music. Refreshments were served during the evening.

WE ARE SHORT

Of cash and "long" on a certain make of Field Fence, therefore this tale is told to interest you: During the scarcity of Field Fence last Spring we bought a lot of "Pittsburg Perfect" to help us out on hurry orders, many of our customers finding it inconvenient to wait longer for other delayed shipments. Having about two-thirds of a car-load of the Pittsburg product left, in 26, 32 and 47-inch widths, we are very anxious to dispose of same so as to reduce stock to about the proper proportions. To effect a speedy sale of what remains of the "Pittsburg Perfect" we are willing to cut the price quite liberally. It is a good article and is well liked by those who have fenced their fields with it, and we make the reduction only for the reason stated above. Come in and see what we can do.

GO RIGHT AT IT.

Friends and Neighbors in Maysville Will Show You How.

Get at the root of the trouble. Rubbing an aching back may relieve it, But it won't cure it. You must reach the root of it—the kidneys.

Doan's Kidney Pills get right at it. Reach the cause, relieve the pain. They cure too, so Maysville people say. Mr. W. L. Nicholson, of 14 Court street, employed by Russell & Sons, grocers, says: "The use of Doan's Kidney Pills by anyone who does much riding will help an aching back so quickly he will wonder greatly at the prompt and effective riddance of the trouble. I procured Doan's Kidney Pills at J. Jas. Wood & Son's drug store, corner of West Second and Market streets, on the advice of a friend and the results obtained were so satisfactory that it is a pleasure to recommend the remedy to others whenever opportunity is offered."
